Rochester-born Maud Humphrey was one of the most successful American illustrators. She studied in New York and Paris and, in her lifetime, was known to all of America and became wealthy from her talent. She grew up on Greenwood Street in the Third Ward and owned a large home on Seneca Point, Canandaigua Lake. She married Dr. DeForest Bogart, and they produced their famous son, actor Humphrey Bogart. When he was a child, she featured him in many illustrations. Artist Sharon Dwyer Buzard, resident Doris Dwyer's daughter, will present an illustrated lecture about Maud's life and work.
“I love to hear a choir. I love the humanity to see the faces of real people devoting themselves to a piece of music. I like the teamwork. It makes me feel optimistic about the human race when I see them cooperating like that.”

Paul McCartney

Our own talented choir, the Heather Heights Songbirds, under the direction of Jean Franks, is thrilling our residents with music and memories. Jean started piano lessons at five years of age. Unlike the rest of us, she stuck with it! She continued her musical education at Oberland College and Conservatory in Ohio. Later she taught music lessons in her home, became an accompanist at the School of the Performing Arts, and a church organist. Members of the choir are Marge Pigage, Rixana Petzoldt, Lillian Rogers, Winnie Northrup, Margie Jenkins, Michael Vidala, and Betsy Holloran. They practice three mornings a week, and perform monthly for our residents. The choir welcomes new members, so if you would like to join, please let anyone from the Recreation staff know, or see Jean or Marge.
